

## Product: Fatale

Price: \$300.00

### Description:

A tableau of vivid color against a canvas backdrop. Frenetic gestural marks and an almost classical composition create an air of unresolved mystery.

From artist Molly Frances' Nocturnes, a series of collaged paintings that peer into a world of magic and visual poetry.

Molly Frances is an artist working in Los Angeles, inspired by Twentieth Century masters such as Leonora Carrington, Dorothea Tanning, Joseph Cornell, and the artists surround the Semina group.

These prints are floated with a deckled edge.
