

Product: "Lucia", Ocean photograph in pale tones

Price: \$300.00

Description:

This coastal photography series takes a painterly approach to the Pacific Ocean. A slowly forming wave is captured in soft, pale tones. The subtle colors of the ocean create a dreamy, ethereal atmosphere that is both calming and mesmerizing.

Available in sizes from 20" x 30" up to 40" x 60".

This photograph has a distinctive look by printing on fine art paper that has a very matte finish. Prints are archival and the paper is 100% cotton (no trees). Prints include the white border seen in the images.
