

Product: "Western Wildflowers Series, Entry #1"

Price: \$300.00

Description:

A burst of golden yellow wildflowers along the California coast extends into an endless horizon of color and texture. This series by M Frohman documents a variety of California superblooms through an assortment of vintage camera lenses, giving them saturated, sumptuous color.

This photograph has a distinctive look by printing on fine art paper that has a very matte finish. Prints are archival and the paper is 100% cotton (no trees). Prints include the white border seen in the images.

Available in sizes from 20" x 30" up to 40" x 60".
