Price: \$300.00

Description:

The vast ocean is a deep blue thing of mystery and contemplation. The photograph was shot on 35mm film, and captures the deep ocean hues and mass, accented by sparkles of sunlight.

This photograph has a distinctive look by printing on fine art paper that has a very matte finish. Prints are archival and the paper is 100% cotton (no trees). Prints include the white border seen in the images.
